WHO AM I

Carter Fox, playfully known as the Spaceman Bassman, is a versatile bassist, multi-instrumentalist, songwriter, producer, and author from Philadelphia, PA, who embarked on his creative journey at the age of 15. With an impressive resume that includes touring and recording with R&B legend Freddie Jackson and collaborations with Grammy winners Pablo Batista, David Ivory, and Leon Huff and artists OddKidOut, Ori Rose, JUTAUN, and more, Carter has become a prominent figure in the music industry. As a solo artist, he has released captivating original music independently and with international labels such as Biblioteka Records, the Acrylic Label, and Chill Moon Music, amassing millions of streams and a global fanbase. His signature 'chill-fi' style, influenced by a passion for astronomy and a love for video games, seamlessly blends jazz, rock, and experimental electronic elements.
